- Dr. Akanksha Solanki, SBPGM, Jaipur Rajasthan INDIA

Welcome to IACELHS-2018

International Academic Conference on Education, Law, Humanities and Social Sciences (IACELHS-2018) is being organized at Goa, INDIA during January 19-21, 2018 hosted by **Universal Research Foundation (URF) in association with Chirala Engineering College, Andhra Pradesh INDIA**. The Venue of the conference is **Vivanta by Taj- Panaji, Goa**. IACELHS-2018 is an International conference for the academics, researchers, policy makers and practitioners for sharing the research findings in all the fields of Law, Education, Humanities and social sciences. The objective of the conference is to bring together a wide audience around the world, engage participants in fruitful debate, and facilitate mutual understanding. The conference is helpful for creating a platform to discuss and disseminate meaningful messages, values and practices. An additional goal of the conference is to provide inter-disciplinary/ multi-disciplinary interests related to Law, Education, Humanities and social sciences to meet and interact with the members beyond individual specific disciplines. All the accepted and registered papers will be published in the UGC Approved Journals. An effort will be made to publish extended version of quality presented papers in special issues or edited volumes of peer reviewed SCOPUS indexed International Journals.

Full Length Papers/Extended Abstracts are invited for the International Academic Conference Education, Law, Humanities and Social Sciences (IACELHS-2018) within the scope of the conference. All contributions must be original and should not have been published or submitted elsewhere.

The conference discussion may include the following and the related areas but not limited to:

About Universal Research Foundation (URF)

Universal Research Foundation (URF) has been established to recognize the research abilities and innovative achievements from the academic and professional research to the industry professionals in a wide range of topics including Engineering, Computers, Sciences, Pharmaceutical Sciences, Social Sciences, Management, Arts and Humanities etc.

URF brings together Scientists, researchers, students, and academicians around the globe for implementing the novel research ideas for the benefit of the mankind and society. URF organizes conferences and also publishes high quality academic international journals in Engineering, Computers, management and Sciences.

The Universal Research Foundation welcomes the Scientists, Professors, Researchers, Academicians, Engineers and Research Scholars around the globe for joining as a member. Its basic aim is to promote scientific and research activities for the beneficial to the mankind and society in different research areas. URF provides a forum for exchanging the novel research ideas, research results and the realistic implementation for the benefit of the mankind and the society. The URF is dedicated to the quality in intellectual research and novelty while taking up the multiplicity.

About Goa

Goa is a state in India within the coastal region known as the Konkan in India. Panaji is the state's capital, while Vasco da Gama is its largest city. The historic city of Margao still exhibits the cultural influence of the Portuguese, who first landed in the early 16th century as merchants and conquered it soon thereafter. Influenced by over 450 years of Portuguese rule and Latin culture, Goa presents a somewhat different representation of the country to foreign visitors. The state of Goa, in India, is famous for its beaches and places of worship, and tourism is its primary industry. Major tourist attractions include: Bom Jesus Basilica, Fort Aguada, a wax museum on Indian culture and a heritage museum. The Churches and Convents of Goa have been declared a World Heritage Site by UNESCO. Goa's beaches cover about 125 kilometres (78 miles) of its coastline. These beaches are divided into North and South Goa. North Goa is more commercial and touristy; whereas South Goa is where most private beaches are located. A notable exception in South Goa is Palolem Beach which is one of the most visited beaches in Goa. Some of the more popular beaches are Colva, Calangute, Baga and Anjuna.

Important Dates

	Full Length Paper/Abstract Submission	Notification Deadline	Early Bird Author Registration
First Phase	October 15, 2017	October 25, 2017	November 15, 2017
Second Phase	November 15, 2017	November 25, 2017	December 10, 2017
Third Phase	December 15, 2017 December 25, 2017	December 20, 2017 December 30, 2017	December 31, 2017

Paper Submission

- Upload MS word (doc/.docx) format of the paper before the submission deadline.
- The full Length Paper/Extended Abstract can alternately be submitted at submission2018@gmail.com with the subject IACELHS 2018.
- The entire paper (title, abstract, keywords, main text, figures, tables, references, etc.) must be in ONE document created in MS WORD (compatible mode). The text should be justified.
